

Request for event sponsorship by the Association for Laboratory Phonology

Organizers of conferences, workshops or other events can request sponsorship by the Association for Laboratory Phonology by submitting the relevant information for review by the Executive Council. Requests are typically reviewed at quarterly intervals, so the information should be submitted by the beginning of the relevant month (March, June, September, or December) before the event will be advertised. Provide the following relevant information in an e-mail to the Association Administrator (admin@labphon.org) with the subject heading "Request for event sponsorship" or fill in the form and attach it to such an e-mail.

Title of event:

Dates:

Location of event:

Organizer(s) and primary contact person:

Website for updated information on the conference:

Brief description of the conference, and a rough estimate of the size of attendance:

Description of what the proposed sponsorship would entail. (Examples from previous sponsored events include ALP-administered best student paper awards and reduced registration fees for ALP members.)

If organizers are requesting student paper awards, a brief description of how the papers will be evaluated
